## MUSICAL NIGHT POPULAR IN SPITE OF WET

On Tuesday, Oct. 17th, the entertainment held at the Deep Cove Hall by the Evening Branch of Holy Trinity and Saint Andrew's Women's Auxiliary, was most successful and in spite of a very wet night a large audience attended. At 8:20 the curtain rose on a most amusing playlet put on by Mrs. Henry Horth. Those taking part were Mrs. Barry, Mrs. G. Charlebois, Miss Josephine Charlebois, Miss Grace Barry, Mr. Bristowe and Mr. Reginald Bristowe. Mr. Basil Hartley arranged the stage lighting. The play was most excellently done and did great credit to both those taking part and to the producer.

Then followed the "Musical Story Competition," played by Mrs. Hughes, assisted by Miss Whiting, and read by Miss Gwynne. This was won by Mrs. Baker who got 56 out of 76 songs correct.

Supper was then served under the chaperonship of Miss Matthews, Mrs. Philip Brethour and Mrs. Gerald Few.

During the remainder of the evening competitions and games took place. The ladder golf, under the management of Miss Toomer, was won by Mrs. McIlraith with Miss Macdowall second. The "Picture Gallery," convener Mrs. Baillie, had three tied with 25 correct of the 27. These were Mrs. Whiting, Miss Jean Bristowe and Mr. B. Ward. They had an extra competition set them which was won by Mr. B. Ward.

Captain Gibson won the "Card Throwing," convener by Mrs. J. Boshier.

Two were tied at the "Candle Lighting," Mr. R. Beswick and Captain Gibson, the former winning on the play-off. Three also tied at the "Peanut Balancing," Mrs. Shade, Mr. E. Livesey and Captain Gibson. They tied again on the play-off, so were eventually all awarded a prize. Miss Whiting was in charge of these two contests.

Miss Gertrude Cochran and Miss Moses both had a busy evening at their "Turtle Racing" and "Housey-Housey," while Miss Gibson and Miss C. Cochran at the candy stall and Mrs. W. Beswick at the miscellaneous stall did a thriving business.

The members of the Women's Auxiliary would like to convey their most hearty thanks to all those who helped in their program, particularly those who gave up their time to many rehearsals, and also to their many friends who turned out on such a very wet night and gave them their support.

## THANKSGIVING AND RALLY NEXT SUNDAY

In keeping with the Thanksgiving season a special service and rally day will be held at the Mount Newton Sunday School this coming Sunday, Oct. 29th.

Both the services, the first at 2:45 in the afternoon and then at 7:30 in the evening, will be marked by special singing by the children and a special address by Mr. H. Masters, of Victoria.

The usual ray decorations and bounties of the season will be a feature of this glad day and the children of the school and those in charge invite you to join with them in both these special services.

## COL. FOSTER AT GANGES AND FULFORD

By Review Representative  
GANGES, Oct. 25. — Pursuing a vigorous campaign as an independent candidate in the Islands constituency, Colonel W. W. Foster, D.S.O., spoke to big meetings at Ganges and Fulford Harbour, on Salt Spring Island, last week.

Captain Macgregor F. Macintosh, former Conservative member for the Islands, presided at both meetings, while Colonel Foster was supported by R. D. Harvey, of Victoria, and Dr. Alfred Thompson, of Vancouver.

At the conclusion of both meetings refreshments were served and the floor cleared for dancing, music being supplied by Len Acre's orchestra from Victoria.

## Horticultural Meeting Postponed One Week

The regular monthly meeting of the North and South Saanich Horticultural Society has been postponed from Nov. 2nd to Nov. 9th owing to the fact that the Provincial Election falls on the former date. The society's executive meeting has also been postponed until after the election.

## ALEX. McDONALD IS SUPPORTED BY LIBERAL LEADER

Greeted by a packed house on Wednesday last Mr. Alex. McDonald, Liberal candidate for the Islands constituency, was given a cordial reception at his first campaign meeting, which was held in Stacey's Hall, the chief speaker of the evening being the Liberal leader, T. D. Pattullo.

Mr. McDonald briefly presented his stand and outlined his ambition to help the constituency in which he was born and was warmly supported by Major Guy Boyer who was his rival for the honor of nomination. Major Boyer urged the electors to elect a man who lived among them and understood their needs rather than a resident from Vancouver seeking their votes. Mr. McDonald stated that the Liberal platform offered a sound, progressive course with substantial, practical and effective policies.

Mr. John Matthews, president of the local Liberal association, presided and Miss Josephine Charlebois, accompanied by Miss Kaye Lowe, gave two vocal solos.

## DR. GEO. WEIR, LIBERAL, SPEAKS AT DEEP COVE

Followers of other parties were rallying to the support of the Liberals in this election because they are the only united body offering sane, acceptable reforms. Dr. George M. Weir, head of the department of education at the University of British Columbia, and Liberal candidate in Vancouver-Point Grey, told an audience at Deep Cove, Saturday night. The occasion of his address was a meeting held in support of Alex. McDonald, Liberal candidate in the Islands constituency.

Mr. McDonald gave a short, but forceful address in which he spoke of the freedom of expression of thought and vote on the floor of the Legislature as provided by the plank in the Liberal party, which removed the undesirable feature from caucuses.

## POLICE MAKE SEIZURE AT PENDER ISLAND

A big consignment of sacked, unsealed liquor was seized by Provincial Police officers at Bedwell Harbour, Pender Island, and the operator of a powerboat arrested on a charge of being unlawfully in possession of a firearm. It was reported to headquarters in Victoria Monday.

The seizure took place on Monday when Constable D. O. Tweedhope, of Ganges, Constable Archie Carmichael and Constable Murphy in the launch B.C.P. No. 4, swooped down on Bedwell Harbour to find the powerboat "Kitsuyakwa" lying in the bay.

One hundred and forty-five sacks of liquor (worth \$5,000) found concealed on shore, and apparently ready for transshipment, were seized by the officers, while the operator of the Kitsuyakwa was arrested on the charge of carrying a firearm without a licence.

The Kitsuyakwa is at present anchored off the Sidney wharf, where it is tied up to the police boat awaiting developments.

## LOCAL MEETINGS FOR HARDINGE

## COLONEL FOSTER DANCE AND RESIGNS OFFICE SOCIAL FRIDAY

Colonel W. W. Foster, D.S.O., Independent candidate in the Islands constituency, emphatically denied he was president of the British Columbia Conservative Association, in answer to a question put to him at a campaign meeting held at Deep Cove on Thursday.

The candidate explained that at the time he made his decision to run as an independent candidate in favor of co-operative government, he resigned from the presidency.

Lindley Grease, K.C., supported Colonel Foster on the platform.

SEVEN-PLANK PLATFORM

Colonel Foster outlined his seven-plank platform, which included a reduction of overhead expenses and provision of a balanced budget. He supported the establishment of a central bank, and advocated a scaling down of interest charges to relieve the present economic situation. A public works program, whereby young men would be taken from relief camps and given work with proper wages, also was urged by the candidate.

In connection with health and unemployment insurance, Col. Foster said he favored this legislation on a national basis.

## 250 DANCERS ENJOY CATTLE CLUB AFFAIR

The Agricultural Hall, Saanichton, gay with streamers and flags, housed a happy crowd of dancers on Wednesday last when over 250 members and friends gathered to take part in the second annual dance staged by the Saanich Jersey Cattle Club.

On the stage, amid a setting of flowers, plants and sheaves of oats the "Cattle Club" in their white and blue sent forth such peppy dance tunes that the crowd was never still.

Immediately following the dainty supper, served in the dining hall, the tombolas were drawn for, and you can imagine the surprise and enjoyment, both to the recipients and audience, when winners were presented with prizes such as eggs, live cockerels, milk tickets and even a small pig and a basket of kittens.

The club wishes to express its hearty appreciation to those who assisted with the refreshments and to one and all who by their attendance helped to provide the evening's pleasure.

Len Acre's orchestra, the popular players from Victoria, provided the dance music and a stall of ice cream, pop and cigarettes looked after the wants of the crowd.

## RUSS HUMBER STRUCK DOWN BY UNKNOWN

Russ Humber, Independent candidate for the Islands constituency, was struck down while walking on side of the highway just 40 minutes before he was to open a meeting in Stacey's Hall, Sidney, at which he had invited all candidates in the riding to take part.

Last Friday evening Mr. Humber, who lives east of the East Saanich Road, not far from the old Tripp Station where nearby the Canadian National Railway now crosses the highway, about 7 o'clock proceeded from his home to the pump-house on the turn of the pavement just below the Bazan Bay Cash Store to shut off the engine. Having accomplished this task he was returning to his home—lighted lantern in hand—walking on the side of the highway approximately two feet off the pavement and had walked about 30 feet from the pump-house north and was not far from the railway crossing when a car going in the same direction, apparently at high speed and out of control came around the corner and struck Mr. Humber in the back, hurling him to the ground, knocking him out cold.

The driver of the car proved to be a hit-and-run motorist as Mr. Humber lay prostrate for some time before the Deep Cove Stage came along with Mr. R. Shillito in charge. Seeing the prostrate form on the roadside he stopped his bus and recognized Mr. Humber. Taking the unconscious man to his home Dr. Burden of Rest Haven Hospital was called and on examining Mr. Humber found he was injured in the back and was suffering from concussion. Mr. Humber was in a semi-conscious state throughout the night and only regained full possession of his senses Saturday forenoon. He will be confined to bed for several days under the doctor's care.

Mrs. Humber had walked part way up to the East Road to meet Mr. Humber and had heard a scream on the highway approximating the time of the accident but was not aware of the fact that some driver had run down her husband and not seeing any sign of him coming had gone back to the house where at 20 minutes to 8 Mr. Shillito appeared with the injured man.

In the meantime a large crowd had gathered at Stacey's Hall and heard of the accident and the meeting was called off. Mr. Alex. McDonald and a C.C.F. representative saying a few words to the audience and expressing the hope that Mr. Humber was not seriously injured.

The police are practically without a clue as to who the hit-and-run driver is, as Mr. Humber did not see the car at all and Mrs. Humber paid no particular attention to the passing car. It is presumed that the car in coming down the hill swung wide on the turn and then ran off the pavement on the opposite side, as Mr. Humber was on the inside of the curve and off the pavement. The scream was likely the result of an occupant of the car about to witness the impact. Who was it?

Up to the time of going to press we are advised that Mr. Humber is making satisfactory progress in recovering and all citizens and other candidates wish him a speedy return to good health.

## A WARNING TO HUNTERS

Constable Oldham reports that he has received a great many complaints of late in regards to hunters trespassing and shooting on farmers' enclosed property.

It is quite probable that the outcome of this will be law cases and to resident and visiting hunters this warning is given.

## Wedding Anniversary Celebrated at Fulford

By Review Representative  
FULFORD HARBOUR, Oct. 25. — On Thursday afternoon Mrs. P. C. Mollet entertained a few guests to tea, the occasion being the anniversary of her silver wedding. Those present were Mrs. R. Commencing this Saturday, Oct. 28th, contract bridge and progressive "500" will be played and in addition to the weekly prizes special awards will be made to the lady and gentleman making the best scores during the period Oct. 28th to Dec. 30th. Play on each evening is to commence promptly at 8:15, so as to allow for an hour and a half of dancing. Those who do not wish to take part in this pastime are invited to indulge in their favorite card games, checkers, etc. Mrs. McLean's orchestra has been engaged to look after the dance music for the season and all those attending these Saturday night functions are assured of a good time.

## C.C.F. HELD TWO MEETINGS IN THIS DISTRICT

Two C.C.F. meetings have been held in this district since the last issue of the "Review," one on Saturday in Stacey's Hall and on Monday at the Deep Cove Hall.

Mr. Robert Skinner, of Vancouver, president of the B.C. executive of the C.C.F., was the speaker at the Stacey's meeting, while the local candidate, Captain William Ellis, also spoke to the audience. Mr. A. B. Sanders acted as chairman.

On Monday the first C.C.F. meeting to be held at Deep Cove took place and such an impression was made that a second one is planned. Mr. D. B. Wodlinger, B.Sc., LL.B., of Vancouver, gave a fine outline of economics. Capt. Ellis was also in good form. Bill Speed made an efficient chairman.

Very many questions were answered at the latter meeting so great that the caretaker of the hall had to turn out the lights to get rid of the remnants of the crowd, it being nearly midnight before they departed.

## GOLF CLUBS IN TWO MATCHES; BOTH WIN ONE

In a series of matches between the ladies of the Cowichan Golf Club and the Ardmore Golf Club each team won on its home course. At Ardmore the score was 20 to 4 and at Duncan 18½ to 5½, counting three points for each match. As the scores were nearly equal they have arranged to play another match on a neutral course, Gorge Vale being the probable choice.

The local club has planned to hold a Christmas dance on December 27th at the Deep Cove Social Club to celebrate the first year of the existence of the club.

## S. Roberts Heads Deep Cove Club

The annual meeting of the Deep Cove Social Club was held on Oct. 18th when Mr. S. Roberts was returned as president and Mrs. H. G. North secretary-treasurer.

Directors were appointed as follows: Mr. N. Shillito, Mr. Kinneer, Mr. H. E. Bonty, Mrs. Linneart and Mrs. Bonty.

## FINAL CROP REPORT FOR 1933 SEASON

The final crop report for the 1933 season issued by the Bank of Montreal has just been received. Below appears a report of conditions in general and also one for our own province.

### GENERAL

Canada this year has had much smaller crops than usual of cereals and hay due to hot dry weather during much of the summer throughout the prairie provinces, Ontario and Quebec. Root crops generally, however, have been fair to good and there has been a fine crop of apples with yields of other fruits mostly below average. The wheat crop in the prairie provinces has been estimated by the Dominion Bureau of Statistics at 264,000,000 bushels from 25,177,000 acres or an average of 10.48 bushels per acre. The crop is the smallest since 1924 and the average yield the lowest since 1919. The wheat crop for all Canada is estimated at 282,771,000 bushels as compared with 435,655,000 bushels last year. Coarse grains are a light crop also, oats in the prairie provinces being estimated at 186,500,000 bushels against 245,726,000 bushels last year and barley at 48,500,000 bushels compared with 63,114,000 bushels. The wheat generally is of good quality. Over 85% of the wheat marketed to date in the prairie provinces has graded No. 2 Northern or better. In Quebec crops on the whole have been satisfactory despite lower yields of cereals and hay. In Ontario most crops have been below normal. In the Maritime provinces most crops were fairly good and the apple crop was excellent. In British Columbia crops on the whole were smaller than usual.

### BRITISH COLUMBIA

A backward spring retarded crops. The grain yield is estimated at 80% of average. Hay is slightly below average and rain caused some damage to both crops. The apple crop is of excellent quality and largely running to the smaller export sizes. The crop suffered some damage from hail and wind storms and the yield is estimated at 85% of average. Other tree fruit yields were below average. Strawberries and raspberries were a partial failure in some districts due to winter killing. Tomatoes were very late and frost reduced the large crop indicated to a slightly better than average yield. Potatoes and onions are estimated at 80% and 115% of average respectively. Hops on a reduced acreage in the Fraser Valley yielded an average crop. There has been an adequate supply of water for irrigation and pasturage generally has been abundant.

## POINTS NORTH NOW LINKED BY TELEPHONE

Telephone service from southern British Columbia to the mining towns of Anxox, Stewart and Alice Arm, 500 miles up the coast, has been opened by the North-West Telephone Company, which is affiliated with the B.C. Telephone Company.

The new service is made possible by a radiotelephone circuit between Campbell River, on Vancouver Island, and Anxox. This circuit is the most northerly yet established by the North-West Telephone Company, which already has circuits to Ocean Falls, Prince Rupert and Prince George.

Conversation between Anxox and Vancouver is achieved by a combination of telephone lines and the radio link, and takes place in the same way as on an ordinary long-distance call.

We will appreciate your co-operation, Mr. Advertiser! Let's get going!

Sidney, B.C., Oct. 24, 1933.

To the Electorate,  
Islands Constituency:  
I have just returned from another complete visit to all the divisions of the Constituency and it is evident a great deal of mental confusion on the political situation still exists, but encouraging to note the eagerness of all to give attention to any suggestions that might help to clarify the situation and the obvious desire of all to do that which is best for the Province of British Columbia. It is in the hope of being of some service that I submit the following for consideration.  
In the first place, the geographical distribution of our meagre population over the vast territories of the Province, presents a peculiar and difficult administrative problem. Secondly, the powers vested in the Province for dealing with this administrative problem are definitely limited. Bearing this in mind and remembering the system we have employed to administer our local affairs, it is hardly surprising to find ourselves today in a serious and difficult position. Our financial situation, with its resultant heavy burden of taxation is not the outcome of the present economic depression, but the natural result of the wastefulness, stupidity and viciousness of the Party form of government.  
We can no more expect to conduct our political business with antiquated machinery than any other business can afford to ignore the progress of time. That general public opinion supports the fact that the party system has failed, is evidenced by the number of ideas and Candidates in the field at the present time. But, disregarding the personal element entirely, the choice of the Electorate actually is a three-way one. They can endorse a candidate who believes in the continuance of our present system—with its wastefulness, inefficiencies and abuses. They can endorse a candidate who believes in a complete reversal of our whole social system and is prepared to experiment at the people's risk with untried theories. They can endorse a candidate who believes in adopting a middle course, freed from party on the one hand and unwilling to experiment in a way that may hurt the people in the process.  
The pity of it is that at election time, for personal ends so called policies are dangled before the eyes of the people when reason tells us that all any new administration can hope to do is to eliminate wastefulness, introduce efficiency and discontinue the vicious system of party patronage and political expediency. In this alone the savings that would be effected would make available large funds which could be employed to finance worth-while projects that would accrue to the general benefit of the people of British Columbia.

Yours sincerely,  
J. B. HARDINGE.

MAJOR J. B.

**OWNERS OF PROPERTY** — Are you annoyed by having outside parties trespassing on your property during the hunting season? The Review has prepared a sign with the proper wording to help you in case you are looking for relief during the shooting season from unwelcome trespassing. We have secured a canvas material that will withstand the rain and dampness better than ordinary card. Wording on the sign incorporates an extract from the Game Act, pointing out clearly that hunters cannot tramp all over your property without your consent. For your benefit we give you the exact wording on this sign:

### NO SHOOTING OR TRESPASSING

Extract from B.C. Game Act: "Section 12.—No person shall at any time enter, with any firearm or trap in his possession, or permit his dog to enter into any growing or standing grain or upon any cleared land or land under cultivation, not his own, without the permission of the owner; and no person shall at any time hunt, shoot, or trap, or with firearm or trap in his possession go upon any enclosed land of another without permission of the owner, lessee, or occupant thereof."

The sign is 18 inches in length and 9 inches in depth. The price, 25c each or five for \$1.00, post-paid to any address in British Columbia. Review, Sidney, B.C.

is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, October 29.

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Submit yourselves therefore to God. Resist the devil, and he will flee from you. Draw nigh to God, and he will draw nigh to you" (James 4: 7, 8).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "We acknowledge God's forgiveness of sin in the destruction of sin and the spiritual understanding that casts out evil as unreal. But the belief in sin is punished so long as the belief lasts" (p. 497).
